

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is violating the spirit of our democracy. By strong arming their stations to air programming which is biased and untruthful and meant to turn the course of this election, Sinclair who is one of Pres. Bush's biggest donors, is using power, influence and money in a sacrosanct public arena to turn try to turn an election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But, in this case Sinclair is only serving their own interest. worse, they are presenting prpaganda as "news." It is dishonest.

sinclair should not have their license renewed.
